

HELP PREVENT THE SPREAD OF GERMS WITH **SOAP & HAND SANITIZER DISPENSERS**

HASSLE-FREE PRICE QUOTES

LaForce can provide your facility with soap and hand sanitizer dispensers! Designed with high traffic environments and hygiene in mind, our automatic dispensers can serve a dual purpose—to cost effectively dispense either soap (liquid or foam) or hand sanitizer (liquid or foam). Featuring a stainless steel cover and translucent removable internal tank for easy-to-view level.

Optional mounting stand available.

LIQUID OR FOAM SOAP OR HAND SANITIZER

Works with any brand of soap or hand sanitizer. (Soap and hand sanitizer not included with dispenser)

BATTERY POWERED

Powered by 6 AA-size batteries makes them untethered so they can be mounted to a wall or just about anywhere.

HANDS-FREE OPERATION

Helps reduce the spread of germs.
